Bus Sign Up Form

Gretna Public Schools currently provides transportation to over 2100 students in the district. Every student who rides a bus must have a Z-PassCard(Electronic/Plastic Card) assigned to them. If your child is a current bus rider and has a working Z-PassCard, you do not need to sign up for bussing next year unless your child needs to purchase a new Z-PassCard.

However, if your child is entering 6th or 9th grade, we need all entering 6th or 9th grade students, whether current rider or not, to complete this form. Below is the form to fill out and return as soon as possible.

All students that currently have a bus pass will continue to use their same Z-PassCard(Electronic/Plastic Card) for 2015-16. In the fall, those students with existing Z-PassCard will be getting a new printed card and lanyard with the Bus #/Stop Time/Stop Location to go with their existing Z-PassCard. Students will need to present their Z-Pass Card at either an open house or on the first day of school to get the corresponding new printed card and lanyard.

If a student does not have their Z-PassCard, they will need to purchase a replacement Z-PassCard. Below is the form to fill out and return.
